#### Stone Soup

One day, a hungry **traveler** came to a small village. He asked people for some food. But they said they didn't have any food. "That's OK," said the traveler. "I've got a **magic** stone. I'll make stone soup for everyone. But I need some water." Then, an old woman brought a big pot of water. The traveler put the stone inside. Then he waited for the water to **boil**.

While cooking the soup, the traveler tasted it and said, "Mmmm, it's good. But carrots would make it much better." So another **villager** brought carrots. "Good stone soup needs meat," said the traveler. More villagers came. They brought meat and some vegetables to **add**. Finally, the soup was ready. Everyone ate a big bowl. "This is delicious!" they all said. "Now, we know the stone soup **recipe**," said everyone. "We'll never be hungry again!" From then on, the people in the village shared.
