Warm Up Qs

- What can you see in this picture?
- How do you feel when you look at the night sky?
- Have you ever made a wish on a star?
- What decorations do you have in your room?

READING SECTION:

A Star for My Bedroom

I see beautiful stars.
Dad! I want a star in my bedroom!
Where do stars come from?
In space there is gas.
In space there is dust.
They come together.
They make a ball.
The ball gets big and heavy.
The ball starts to burn!
It makes white or blue fire!
It becomes a star. It is very hot!
I don't want a star in my bedroom now!
Stars are dangerous!
Dad! Can I buy a star lamp?
