READING SESSION

Never Get Lost Again!

Ellie's friends went to a bakery to eat cupcakes. They invited Ellie, but Ellie didn't come. Next day, Lizzie found out why. Ellie got lost. She couldn't read the map! Lizzie decided to help Ellie. Lizzie said, "Maps use symbols. Symbols are small pictures. They represent different places and buildings. For example, a red cross means 'hospital'. A tree symbol means 'park'. Look at the map here. I drew a red line on it. That is your route to the bakery. Look - it goes right, next to this bus symbol. Now look at the map key. That symbol means 'bus station'. So, you must turn right next to the bus station. The bakery is across from a tree symbol. It means the bakery is opposite the park. It's not hard!" Thanks to Lizzie, Ellie will never get lost again.
