### READING SESSION

#### Perfect Jobs

There are many unusual jobs in the world.

##### Storm Chasers

Storm chasers chase storms. Some do it for science. They get pictures and videos of storms and tornadoes. These can help weather scientists. Others do it to warn people about storms. It's a dangerous job, but storm chasers can save lives.

##### Golf Ball Divers

A golf ball diver is a professional scuba diver. Sometimes golf balls disappear in nearby lakes. These people bring back the lost balls. The balls are cleaned up and resold later. It's good for the environment, too. Are you talented at diving? Then this job might be the one for you!

##### Video Game Testers

Video game testers don't just play games all day. They look for problems in new games. Sometimes they work long hours. Testers must keep playing until they find problems. That way, they can make sure the games work correctly.
