My Cave House 🗨️

Hi Katy!
Thanks for your letter.
Yes, I live in a cave in Spain.
There are many rocks in my town.
Many people live in caves!

Our cave house has many rooms.
The rooms are underground.
The house is cool in summer and warm in winter.

Last month, I needed a new shelf.
My dad cut a shelf in the cave wall!

Next time, I will send you a picture of my room.

Bye!
