

Sprout B-2

Unit 5 Sun and Moon

Warm Up Qs

- What can you see in this picture?
- Have you seen the Moon at night? What was its color and shape?
- Do you like the Sun or the Moon more?
- What do you need to fly to the Moon?

Sun and Moon

Beautiful Sun!
Can we **visit** you?

Sorry, you can't.
I am too hot.
I am too far away.
But I will always give you **light**.

Bright Moon!
Can we visit you?

Sure, you can!
I am not too far away.
But I am not bright.
I am **dark** and cold.

Don't worry.
We have a bright **flashlight**.
Let's get in our **spaceship**, Jack.
We will fly to the moon!

Read Closer

- Which one gives us light?
- Circle the answer in the picture.

- 
- The background is a dark, starry night sky. In the upper right, a large, smiling sun with a face and radiating rays is visible. In the lower left, a large, smiling crescent moon is shown. Several five-pointed stars with faces are scattered across the sky. In the lower right, there are several fluffy, smiling clouds. The overall theme is a cheerful and imaginative depiction of celestial bodies.
- Do you like sunny days or moonlit nights more? Why?
 - If you could fly in a spaceship, where would you go?
 - What would you bring with you to the Moon?
