A Triangle's Dream

I don't like being a triangle. **Wizard**, can you add another side to me? I'm a window now. I'm a square with four sides! With the window open, it's too cold. I'm not only cold but also flat. And... I think I look boring. What should I do? Wizard, help! Please add another side to me. Wow! I'm in a baseball park. How exciting! I'm a **pentagon** with five sides! I'm important because I'm the **home plate**. But... Eww! The dirty shoes of the baseball players are all over my face! Stop **stepping on** me! Wizard, please give me many more sides! A circle! I am just like the sun, the brightest star! I'm not only **bright** but also hot. But... now I'm too hot. I think I should go back to being a triangle. I **miss** it. Now, I'm a triangle again. I'm happy, because I'm me! Being me makes me happy!
