### READING SESSION

#### The Kind Killer

My little sister and I are at the aquarium.

"Look!" I say. "A killer whale!"

My sister is nervous.

"It will kill me!" she says.

"Killer whales don't eat people," I say.

"They eat fish and small dolphins."

"They are mean!" she says.

"No, they aren't. They are kind," I say.

"They live in groups. Together, they look after young and sick whales."

"They are like people!" my sister says.

"People are kind. People live together.

People look after families!

I'm not nervous now. Let's see the killer whales!"
