The Missing Cookie

Today is Mother's Day. In the morning, Jennie baked cookies for her mom. First, she mixed eggs, butter, sugar, and flour in a bowl. Second, she rolled the cookie dough into small balls. Then, she placed the balls on a tray. She baked them in the oven. After baking, she cooled the cookies in the fridge. In the afternoon, Jennie put the cookies into two jars. She put seven cookies into each jar. Her dad took three cookies. Her brother ate five cookies. In the evening, Jennie gave the cookies to her mom. But there were only five cookies left.
